SUNDAY NEXT WEEK

On **Sunday, November 11th**, we will be having PJ's and Pancakes Sunday Funday! Some of you may remember how awesome last year's was; we think so too! So, we wanted to do it again. On this Sunday, our Preschool through 5th grade kids will have the opportunity to eat some pancakes in the Family Theater while hearing a cool pancake-themed story from Pastor Kate!

We will also have some fun characters walking around the atrium, decked out in the spirit of breakfast food. Please dress in your PJ's and encourage the kids in your classes to do the same!

There will be a schedule change from our normal Sunday morning times.

FAST TRACK

Growth Track has been a really wonderful way for our church to communicate

its values, culture, history, and mission. It's very important that we all make it through Growth Track, but it can be hard to do that when you already attend one serve one.

This Sunday, November 11, from 1:00-3:00 PM, Fast Track will be taking place in the Youth Auditorium. This is an opportunity to walk through all four sessions of Growth Track in just two hours! Click the button below to RSVP and secure yourself a FREE lunch while you're there!

heart & soul from pastor ryan:

Freedom from Self-Sufficiency

That's usually not how conflict resolution works.

God showed me that even though I trusted Him, I was depending on myself as the source of solving my problems instead of God.

God told me, *"Stop seeking answers yourself. You don't need to know the perfect solution to every speed bump that you hit in your life. Seek me for your answer."*

Freedom One Day last weekend was incredible. If you were able to make it, then you were able to witness the incredible job our pastors did guiding the people of our church into a place of greater freedom in Christ.

During a particular response time, I was bowing my head, asking God, *"What do I need freedom from?"* His answer to me was pretty clear:

YOURSELF

I'm a deep thinker by nature, and I often get caught up overanalyzing the conflict points of my life, trying to find the solution that is clearly and undoubtedly correct, resolving everything like magic and leaving no one upset in the process.

It wasn't that God was going to be my genie in a bottle, fixing everything the moment I asked Him, but rather that He wanted me to commune with Him more than I communed with me over the issues.

God wants to meet with **YOU**. He wants to hear you pray, to spend time with you, to share his presence with you, specifically.

Meet with Him this week, being intentional on communing with Him more than yourself, just spending time in His presence, and watch as His Spirit ministers to you in your time of need.

Blessings,
Ryan Hughes
