Activity: Worship God with Drums

Invite the children to join you at the table. **Today, in The Big God Story, we learned all about how we can worship God with music, singing, and dancing. Let's make our very own drums so that we can worship God.** First, have the kids decorate two coffee filters then, help the kids put the coffee filters on top of the cup and put a rubber band around it. **Can you show me how you make music with your drums and worship God?**

PRAYER OF THE DAY

Before going into prayer say this to the children: **You can talk to God with prayer, anytime and anywhere.**

Let's hold out our hands, with our palms together as if we are cupping water and repeat this prayer after me.

God, you are worthy of all of our praise. Thank you that we can worship you with music, singing, and dancing.
